Normal Operations	Normal Operations	Normal Operations	Normal Operations

Cal OES INLAND REGION

Stanislaus River Erosion Incident, San Joaquin County

On 12/13/19 at 1503 hours, the California State Warning Center was notified by the Department of Water Resources Flood Operations Center (FOC) of significant erosion occurring on a bank on the Stanislaus River.

- No flooding is occurring and there is no emergency at this time.
- The site is on the right bank of the Stanislaus River at approximately Levee Mile 2.4.
- Reclamation District (RD) Engineers believe the damage was caused by a falling tree. The tree caused the water to swirl causing the erosion.
- The contractor will return on 12/27/19 to complete the levee road rehabilitation and seeding.
- Demobilization is now expected to be 12/27/19.

Activations

- Flood Operations Center (FOC) is activated at their lowest level.
 - Operational Period:
 - 0800 hours to 1700 hours during the week and Duty Officer status overnight and over the weekend.

Proclamations

- RD 2064 proclaimed a local emergency on 12/12/19.
- The San Joaquin County Director of Emergency Services proclaimed a local emergency on 12/13/19 in support of RD 2064.
 - San Joaquin County Board of Supervisors ratified the Proclamation on 12/17/19.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Nothing significant to report.

SOUTHERN CALIFORNIA

- A Winter Storm Warning remains in effect above 3,500 feet until 0700 hours Friday.
 - Heavy snow. Total snow accumulations of 12 to 24 inches above 4,000 feet and 6 to 12 inches as low as 3,500 feet.
 - Accumulating snow down to 3,000 feet will be possible during heavier snow bands.
 - Winds gusting to between 20 to 30 mph may result in blowing and drifting snow.
 - Travel could be very difficult to impossible.
- A Flash Flood Watch continues for portions of southeast California and southern California.

WEATHER KEY POINTS

12/26/19 - 01/01/20

Thursday

- A storm system will continue to bring gusty winds, rain, and mountain snow to primarily Southern Region
 - Heavy accumulating snow will continue to significantly impact travel across Southern Region into this evening
 - Snow levels are expected to remain around 2,500-3,500 feet, with winter driving conditions for many roadways including the Grapevine
 - Locally heavy rainfall and isolated thunderstorms could possibly produce urban flooding and rock slides in Southern Region, but no significant debris flows are expected on recent burn scars
 - Flash flooding is possible in the deserts of Southern Region, with washes, creeks, and low-water crossings most likely to be impacted
- Many areas across Southern Region will see strong east winds, with gusts up to 50 mph. These winds could result in travel difficulties, downed tree limbs, and a few power outages.

Friday-Saturday

- Dry conditions and warmer temperatures across the state with no significant impacts

Sunday-Monday

- Rain and mountain snow showers are possible across Coastal and Inland Regions on Sunday, then shifting into Southern Region on Monday
 - Mountain snow could cause minor travel impacts, and locally moderate to heavy rainfall could produce minor flooding concerns.

Tuesday-Wednesday

- Primarily dry conditions across the state with no significant impacts currently expected

CALIFORNIA WEATHER IMPACTS

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-8425, 12/26/19, 0620 hours:** The AFRCC contacted CSWC regarding an ELT activated in Madera County on the border with Merced County. The ELT has been consistently going off since early this morning plotting at the coordinates: 37.140047 / -120.310553. It is an unregistered ELT device with no R/O information available. Madera Sheriff accepted the mission and is sending patrol units out to the location. Civil Air Patrol has not been activated but AFRCC provided mission #19M0762. **MISSION ONGOING.**

Cal OES MISSION TASKING

Cal OES Missions

- None reported.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
